Pathways Partnership in General Agriculture
Off-Campus Bachelor's Degree Completion Program

CONSORTIUM AGREEMENT

The following student has been admitted into the off-campus General Agriculture Bachelor's degree completion program. Missouri State, as the home institution, will provide financial aid in accordance with the student's eligibility. The enrollment and cost at your school, as the off-campus location, will be used by Missouri State in calculating eligibility for Title IV funds. Satisfactory academic progress will be monitored by Missouri State for both campuses.
